Alexandria, VA 22313-1450**DECLARATION UNDER 37 C.F.R. §1.131**

I, Herbert Greenman, declare:

THAT I am an inventor of the invention described and claimed in the above-identified application;

THAT this declaration is being made to overcome the July 7, 1999 filing date of U.S. Patent No. 6,594,633 to Broerman ("Broerman");

THAT the invention in the above-identified application was made in the United States prior to the filing date of Broerman;

THAT a beta version prototype of our invention with the claimed functionality was made and satisfactorily demonstrated to persons then outside the employ of the assignee of this invention prior to filing date of Broerman and less than 1 year before the provisional application of November 19, 1999, that this application claims the priority of, a copy of some of the screens included in that beta version are attached as Exhibit I;

THAT Broerman does not claim the same patentable invention as described and claimed in the above-identified application;

THAT all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
